Cancellation of Erasmus+ Meeting in Brühl/ Germany from 23 to 27 March 2020

Project name: YES Europe II – Young people in education and studies working in Europe

Project number: VG-S2S-K-NW-18-24-047140

Due to the current spread of the Corona virus in all European countries we, the Karl-Schiller-Berufskolleg, are compelled to cancel the above mentioned mobility for security reasons for all the participants involved. Our school is located in an area with a high number of infections in Germany and, as everywhere, numbers are rising and the development cannot be foreseen. Against this background we do not know if certain measures to break infection chains might involve a closing of our school as well. We very much regret being obliged to take these steps.
