For me, it was very important...	I want to add...
Open-Ended Response	that swimming pool was perfect
that i visited center of reykjavik	Also I saw workers environment and it was good
It's important the hospital	Awesome
To get to know all the people of this amazing programm and learn about habits of the other countries	I saw work conditions and it was good one time I want to come again in Iceland.
That we visited hey Iceland that I learned about tourism in Iceland.!	That work conditiobs are good in Uceland and one time i would like to visit it
That we visited Whale watching and we saw work conditions in Iceland	it's very cold but beautiful country
to learn about new culturas	Nothing
To found new friends	Nothing
To found new friends and..to know more about country and companies...	That I have a lot of fun in this Project But that it also was very interesting
That I learn much about the culture and working possibilities in the paticipating Countries. But also that I meet other Teenagers from other Countries and learn about their schoolsystems	Better food
Friendship	Better food
Communication	That the company visit wasnt so Informationen and i was bored
To Form some bonds with the other Student and be able to Steak Better english	That ive learned alot about this country
To learn about my opportunitys os studying/working in other countries	Better food
Comunication	
to travel around and got to know the islandic history. Of course it was important to get international contacts and friends	Thank you for having me! It was great!
To get informations about working and attending school in Iceland and getting to know what opportunities I would have if I would want to work or attend school here.	That the organization could be better
To meet people from other countries	Better food
To try out a different life
